

BRIAN D. LOTT **DEPUTY TO THE COMMANDER,** **MCALESTER ARMY AMMUNITION PLANT**

Brian D. Lott assumed his position as Civilian Deputy for the McAlester Army Ammunition Plant in Feb. 2019.

In this capacity, he is responsible for managing the plant's mission programs, the safety, security, quality and reliability of the munitions stockpile, maintenance of the infrastructure, and formulating long-range strategic plans and policies to accomplish the plant's mission efficiently and effectively.

Before assuming the position of Civilian Deputy, Lott served as the plant's Chief of Staff, which included responsibilities for Risk Management (Safety, Security, Fire and Emergency Services), Logistics, Information Management, Quality Assurance, Community and Family Activities, Environmental Management, Equal Employment Opportunity, Internal Review and Audit Compliance, Public Affairs and the Commander's Initiative Group.

He began his civil service career in 1991 as a student employee in the Resource Management Directorate at MCAAP. During his career, he has held a number of positions including Explosives Worker,

Program/Management Analyst, Marketing Specialist, Chief of the Industrial Operations Division and Director of Ammunition Operations.

Lott earned a Bachelor of Science in Business and Elementary Education from Southeastern Oklahoma State University, Durant, Oklahoma, in May 1996, and a Master's in Business Administration from Cameron University, Lawton, Oklahoma, in 2001. He is a graduate of the Depot and Arsenal Executive Leadership Program administered by the Institute for Defense and Business and taught in partnership with the University of North Carolina Kenan-Flagler Business School and a member of Leadership Oklahoma Class 31.

Lott serves on the Board of Regents for Eastern Oklahoma State College and is President of the Frink-Chambers Public Schools Board of Education.
